RAMP UP/STADIUM ENTRANCE

This is your first impression to the judges, the audience, and your fan base ... make it count! You have **3 minutes** to present a powerful presentation. Do not use any props (other than banner, flags, etc. (s)) or items that may need to be removed from the floor *unless* a team representative will have these items up before the team completes their stroll. Going over time will result in 5-point deduction, per judge. **Band music is required.***

- ❑ This category should be similar to how dance lines enter the football stadium or tunnel.
- ❑ The parade/stadium entrance segment will be continuous. Once one team is off the floor and they exit. The next team’s music will play and so forth until all teams have completed this category.
 - If you miss your que, you automatically forfeit this category.

FIELD SHOW

Each team will present an **seven-minute** (max) (includes setup) performance using *any* theme & band music only. The use of props is permitted in the exception of glitter, powder, fog, smoke or anything that could damage and make cleaning difficult to the gym floor.

- ❑ This category should display a **full** presentation of an HBCU dance line. Not just your typical dance feature. Bring out **all** of the elements of a field show.
 - Be creative with your entire presentation. You’re only missing the instruments.
- ❑ If props are used; the set-up of props must not exceed your allotted time frame for the entire category. Failure to abide will result in a 5-point deduction.
- ❑ Completion of routine & removal of props **must be done within** the 8-minute time frame allotted for team’s field show performance. Going over time will result in 5-point deduction, per judge.

CAPTAIN'S BATTLE

Choreography should exemplify a collegiate audition solo for an HBCU dance-line, for example. Each team will be able to use any music of their choice. Each team will be given **two (2) mins.** to present a great performance using *any* theme and music you'd like. The use of props is permitted with the exception of glitter, powder, fog, smoke or anything that could damage and make cleaning difficult to the gym floor.

 - There must be a minimum of 3 dancers dancing, **at all times**.
 - Chairs will be used in place of bleachers. You can remove them from the floor if you choose to.
- (If there's a 3-way, 1 stand will be thrown, then elimination will occur.) The winner from each round will proceed to the next. (There may be exception in the first round if unforeseen circumstances occur).
